Important Message

Bridgewater **Y**outh **S**occer **A**ssoc is a non-profit organization that relies exclusively on parents and volunteers. Without coaches, assistant coaches and other volunteers we cannot continue to offer our programs to the children of Bridgewater. In the event we do not have enough coaches, children will be placed on teams on a "first come, first served" basis. To ensure your child has the opportunity to participate in this program please consider becoming involved as a coach or assistant coach. Concessions, field days and fund raising offer other opportunities to become involved.

Becoming a coach is as easy as saying "YES" and it can be a truly rewarding experience…

We will be offering a coaching meeting and clinic to help prepare all our coaches for the sessions. We need your help to make this a successful program and BYSA will be there to support you through the season.

Sincerely,

Scott Sherrick, President – Bridgewater Youth Soccer Association
