

1/13/2010

Dear BYSA Community,

My name is Scott Sherrick and I have had the pleasure of volunteering within the BYSA organization since 2004 and I now have the honor to have been re-elected BYSA President for 2010.

We welcome back our seasoned staff and some new and enthusiastic members who are ready to take BYSA to new levels of success. Most of the board members are returning this year to continue their goal of making BYSA one of the best run sports programs in the state. The goal of BYSA is to ensure that the children of Bridgewater will have the best sports recreation experience of their lives.

We will continue to offer our Spring/Summer/Fall/TOPS instructional recreational soccer programs as well as our successful Spring Travel program. I have been proud to be involved in these elite programs and look forward to their continued success. Please look for our informational flyers from the schools and updates in the local papers for signup schedules. Our website will also be continually updated.

We will also be hosting the Bridgewater Challenge Cup Tournament on Memorial Weekend. This busy weekend will be filled with competitive matches with teams from around the state. We hope it will continue has much fun as it has in the past.

BYSA is a not-for-profit organization and relies solely on volunteering, participation fees, and fund-raising to maintain itself. I have traveled throughout the state in soccer tournaments and can proudly say we have one of the most beautifully maintained soccer fields and dedicated volunteer staff I have seen. These volunteers include many of you who have made yourself available to coach, man the concession stands, or show up on field days with your weed wackers in hand. Our program would not be successful without you. We have also scheduled many fundraising events to help defray the cost of our programs. Please see our website for further details.

In closing, I would like to invite and encourage your involvement as BYSA 2010 season begins. General meetings are held the first Friday of every month at the Soccer School House. These meetings are very informative with all aspects of BYSA and Board activities discussed. Your input and involvement in our programs is essential for its continued success.

I as well as the board members wish you a healthy and happy 2010 and hope to see you soon at the next general meeting.

Sincerely,

Scott Sherrick  
BYSA President
